

Need help enrolling into a health care plan?

We can help you...

- Fill out and submit applications for the Oregon Health Plan.
- Fill out and submit applications for the CAWEM
- Fill out and submit applications for the Federal Marketplace (*see below for checklist) with possible cost reductions.
- Apply for assistance paying your premiums through our Premium Assistance program.
- Provide a voucher for health care for kids under 19 years old, that don't qualify for any other insurance.

If you would like help enrolling or to find out more about what we can do for you, please go to one of our locations (click the button below for a schedule) or **contact our Outreach Enrollment Access team directly at 503.345.7031.**

*Application Checklist

* Use the checklist below to help gather what you'll need to apply for coverage.
Please bring documentation with you when possible.

- | | |
|--|--|
| <input type="checkbox"/> Information about your "Tax Household" Spouse, children, domestic partner (only if you have a child together), Anyone else who is a tax dependent.
