The mission of Project Access NOW is to improve the health and well-being of our communities by ensuring access to care, services, and resources for those most in need.

**Position Description**

**Job Title:** Community Assistance Program Specialist  
**Reports to:** Community Assistance Program Supervisor  
**Hours:** 40 hours per week  
**Salary:** $18.25 - $23.25 Full benefits offered: Medical, dental, vision, life, short term disability, Flex Savings Account, and 401K Retirement Plan with a 3% match

**Position Summary**

The Community Assistance Program supports hospital discharge staff in connecting low-income patients with community resources to foster a safe discharge from a hospital/clinic setting and works with Care Coordination organizations (CCO) in connecting Medicaid clients with non-medical assistance. This position is responsible for supporting the day-to-day operations of the program. This position involves working directly with community vendors, clinical staff, case managers, and clients, and accordingly requires excellent communication skills. This position requires a person who has strong analytical skills, is a creative problem solver, and is good at building and maintaining relationships with various stakeholders. As an organization, we work with client health information, which requires all employees adhere to strict confidentiality guidelines. An excellent candidate for the position will be a flexible, self-directed person who pays great attention to detail, communicates clearly and respectfully, and is resourceful.

**Principal Duties & Responsibilities**

- Provide general customer support for web application users including unlocking accounts, troubleshooting issues, securing resources, and logistics
