Position Summary

The Outreach, Enrollment and Access (OEA) Program primarily assists members of the public with the application process for coverage in addition to conducting outreach and public education around enrolling in health care. Each Outreach & Enrollment Program Specialist will do coalition partnership work, collaborate with organizations in the community, present at community events, participate in outreach events, and assist community members with enrollment and information about how to utilize their insurance coverage.

Principal Duties & Responsibilities

- Assist community members in applying and enrolling in Medicaid or the Federal Marketplace and connect them to appropriate resources to support their enrollment.
- Educate clients about plan coverage and assist with navigating the system to ensure access to health care services.
- Refer clients to appropriate programs including Medicare, Aging and Peoples with Disabilities, and other programs within PANOW.
- Maintain privacy and HIPAA standards by assisting clients one-on-one in designated assistance areas.
- Complete, collect, and save all required application and enrollment documents such as consent forms and client information.
- Monitor site sign in sheets and make decisions to stay open or close the list to allow enough work time to meet client needs and complete all tracking.
- Participate in outreach efforts such as tabling at community events and presenting information to the public to reach and inform uninsured community members about the importance of health care, potential coverage options, and re-enrollment requirements.
- Input data from all applications, instances of navigation assistance, and outreach activities immediately after their completion using internal PANOW tracking systems.
- Reply to communications that require a response including phone and email to/from clients, supervisors, other PANOW staff and community partners within 48 hours. If unable to provide a full response within that time, send an acknowledgment of the message and when a complete response can be expected.
- Complete monthly expense and activity reports and submit to supervisor by the required due dates.
- Communicate any challenges with OEA assistance sites, clients, or the application process to supervisors.
- Provide input for the creation of outreach and public education materials as needed.
- Additional tasks as requested.
